

How do I get my renewal application?

- CNA renewal applications are now only available through your TMU portal.
- Every CNA in the State of Utah has a TMU portal, even if you are not aware of it.
- To access your renewal application go to <https://ut.tmuniverse.com> and login to your portal with your username and password.
- Renewal applications are available in your portal 90 days prior to your expiration date and remain available for 6 months after your expiration date.
- Print your renewal application and complete it as directed on the document.

Don't know your username and/or password?

- If you cannot recall your username and password try entering your email address and the "forgot password" option.
- If you are still unable to gain access, email UNAR at unar@davistech.edu
 - In the subject line put Renewal Login Help
 - Include your full name, DOB, and last 4 digits of your social security number in the email
 - You will quickly receive an email response from UNAR during normal business hours that will include your username and a temporary password.

Don't have a computer or printer?

- Print it at work
- Go to a public library
- Use a print shop
- Ask a friend or family member
