

CERTIFIED NURSING ASSISTANT TESTING INFORMATION

Appointments are required for all skills tests. Knowledge tests are offered on a walk-in basis during normal testing site operating hours unless otherwise noted. Check the specific testing site for additional information.

If you schedule an appointment for your knowledge test and later decide you would like to test as a walk-in, you must first cancel your testing appointment. If you miss your scheduled appointment, you will lose your testing fee.

Cancellation: Cancellation or rescheduling of appointments made through TMU is possible up to 1 full business day prior to the event start date. Failure to attend your scheduled appointment will result in forfeiture of testing fees and you will be required to pay for any additional testing appointments. Testing fees are non-refundable.

Testing Sites are closed for school, federal and state holidays.
