

## CERTIFIED NURSING ASSISTANT TESTING INFORMATION

*The test site information on this document was created during a time of test scheduling stability, before the Covid-19 outbreak. The hours displayed may now be inaccurate.*

*Testing may not be available at all sites, but we anticipate more availability as Governor Herbert's Utah Leads Together 2.0 is put into practice across the state. Sites with walk-in hours may have gone to a "by appointment only" schedule to control the number of people in their test facility at a given time. Call the site directly before "walking in." More information about test site availability can be found at <http://utahcna.com/covid-updates>.*
